RE: Letter of Warning - Annual Report
EPA I.D. #KYD00-637-6792

Dear Mr. Vogel:

Your company is on our list of hazardous waste generators and TSD facilities. To date, the Division of Waste Management has not received your Annual Report or justification for non-submittal. Therefore, your company is in violation of 401 KAR 32:040 Section 2 and/or 401 KAR 34:050 Section 6, of Kentucky Waste Management Regulations, requiring all hazardous waste generators and TSD facilities to submit an annual report. These reports were due on March 30, 1983, as specified in a Notice to you dated February 3, 1983 from this Division.

Please submit your 1982 Annual Report or justification for not submitting it before September 1, 1983 to: Division of Waste Management, Permit Review Branch, 18 Reilly Road, Frankfort, Kentucky 40601. Owners or operators not submitting the information before September 1, 1983 will be scheduled to attend an informal hearing in Frankfort. A separate letter establishing the date and location of the hearing will be sent if the required information is not received by the above deadline.

Sincerely,

Typed name
